Revised 4/18/2016
1. **GENERAL INFORMATION**

For **NON-FEDERAL REVIEWERS** to avoid out-of-pocket cost or additional fees, travel reservations to attend a NIH Peer Review meeting must be made through **WorldTravelService (WTS)**.

<table>
<thead>
<tr>
<th>It is strongly encouraged that all non-federal reviewers use WTS in making their travel arrangements to attend an NIH Peer Review meeting. If reviewers choose to make NIH peer review travel reservations outside of WTS through a self-purchased ticket, reviewers will need to do the following:</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) Request pre-approval (4 to 6 weeks from the date of the meeting) from the designated Scientific Review Evaluation Activities (SREA) Sr. Program Specialist or IC SREA Administrator.</td>
</tr>
<tr>
<td>2) Provide (via e-mail, <strong><a href="mailto:CSRSREAHelp@mail.nih.gov">CSRSREAHelp@mail.nih.gov</a></strong> or IC SREA Administrator) a justification as why WTS is not being used, flight itinerary, and cost of the ticket.</td>
</tr>
<tr>
<td>3) The pre-approved request will be evaluated to determine whether the self-purchased ticket is justified, if it will be approved, and at what dollar amount, if any, a reimbursement will be allowed.</td>
</tr>
<tr>
<td>4) Airline penalty fees for changes or cancellations to a self-purchased ticket will not be reimbursed to the reviewer.</td>
</tr>
</tbody>
</table>

**Note:** For **FEDERAL REVIEWERS**, the CSR or the IC Review Branch Administrative Office will issue a federal travel order to be processed through the required government employee reservation contractor. Contact the NIH Scientific Review Officer of the meeting for further guidance and contact information on booking your travel arrangements for an NIH peer review meeting.

**NOTE:** On-line booking is most cost effective to the government. Login page requires the following:

- Username = reviewer’s e-mail address
- Password = reviewer’s choice
- Corporate ID = NIH (not case sensitive)

4. **RESERVATIONS AND TICKETING THROUGH WTS**

1. To maximize flexibility in reviewer’s travel arrangements and cost savings to the government, reviewers are encouraged to make reservations by using the WTS on-line reservation system at a minimum of four weeks to maximum of eight weeks prior to departure.

2. Reviewers who typically review for standing panels or special emphasis meetings may request reservations three months prior to the departure date. Reviewers must assure the travel dates and their itineraries are firm. Changes in travel itineraries are costly to the government.

3. WTS will seek the lowest available non-refundable direct round trip air fare, at the time of booking, from the reviewer’s domicile city to the destination where NIH is hosting the meeting.

4. One-way airfares will not be issued by WTS without prior approval by SREA. Reviewers must submit an email request to, [CSRSREAHelp@mail.nih.gov](mailto:CSRSREAHelp@mail.nih.gov) indicating a justification or necessity as to why a one-way airfare is required.

5. WTS has expanded capability to book all commercial airlines and is authorized to issue non-refundable tickets for reviewers traveling within the domestic United States for NIH Peer Review meetings.

6. WTS is authorized to make travel arrangements for reviewers on sabbatical, whose current residence is other than their domicile city.

7. WTS will issue e-tickets and a confirmation will be sent via e-mail or fax. Paper tickets will not be used unless required by the foreign country or airline.

8. Airline baggage fees for check-in or carry-on luggage imposed by the airlines must be paid by the reviewer at the time of check-in. The reviewer receives a NIH flat rate stipend ($235) per face-to-face peer review meeting for reimbursement of any imposed airline fees.

Revised 4/18/2016
5. CHANGES TO WTS ISSUED TICKETS

1. Reviewers making changes to WTS purchased tickets must make the changes through WTS.

2. Reviewers are encouraged to avoid changing travel plans after WTS issues the ticket because changes in travel itineraries are costly to the government. Changes typically require WTS to issue a new ticket and the fare, at the time of the change, is usually much higher. In addition, the government is required to pay WTS a processing change fee and the imposed automatic domestic airline change fee up to $200.00 per change.

3. Reviewers have limited flexibility in making one (1) request to WTS without seeking prior NIH approval. The request for change has to meet the following criteria; otherwise prior authorization is required from the SREA Sr. Program Specialist:
   a. See CHANGES DUE TO UNUSUAL CIRCUMSTANCES
   b. There has been no previous change request.
   c. The change does not involve a personal leg or non-NIH business related leg of itinerary.
   d. If the departure time is greater than 2 hours or more prior to the originally scheduled departing flight time, and
   e. If the total change cost does not exceed $600.00

4. Changes to itineraries due to personal medical emergencies during participation at a NIH peer review meeting must receive prior approval from NIH.

5. To change a WTS issued ticket, e-mail WTS at nih@worldtravelservice.com or call WTS at 1-800-638-8500.

6. CHANGES DUE TO UNUSUAL CIRCUMSTANCES AND INCLEMENT WEATHER

Reviewers making changes to WTS purchased tickets must make the changes through WTS. WTS is authorized to process change requests due to NIH altering the meeting schedule, severe inclement weather resulting in airport closures or airlines cancelling flights, or personal emergencies. If unusual circumstances (power outages) prevent WTS in making change requests to WTS issued tickets, reviewers can make the necessary changes (coach class) and will be reimbursed for any additional cost or change fees by NIH upon submission of receipts. Other circumstances, not listed below, involving changes will be reviewed on a case-by-case basis and require prior NIH SREA approval.

1. If the peer review meeting is changed from a two-day meeting to a one-day meeting after the WTS ticket has been issued.

2. If the two-day or one-day peer review meeting ends early.
   A. The reviewer can wait for the original booked flight.
   B. The reviewer may contact WTS to request a change to an earlier departure time. WTS is authorized to change the ticket if both of the following conditions apply:

   ➢ If the departure time is greater than 2 hours or more prior to the originally scheduled departing flight time, and

Revised 4/18/2016
NON-FEDERAL PEER REVIEW TRAVEL GUIDELINES

➢ If the total change cost does not exceed $600.00

C. The reviewer can seek “same day stand by” availability. Any fee associated with seeking “stand by” availability will be reimbursed upon submission of receipts.

3. Inclement weather events resulting in airport closures, or airlines cancelling flights, or a personal emergency related to severe weather circumstances.

7. CANCELING WTS ISSUED TICKETS

For WTS issued tickets that need to be canceled, the reviewer must e-mail WTS prior to the scheduled departure or original flight time at cancel@worldtravelservice.com or call WTS at 1-800-638-8500.

8. ALTERNATE ROUTING AND PERSONAL TRAVEL

WTS is authorized to make reservations or bookings for a reviewer who may want to book alternate routings or personal travel unrelated to the NIH Peer Review meeting. WTS has the capability to access multiple airlines or travel reservation systems for the most cost and time efficient routing and scheduling options. The following guidelines will be used:

1. If the reviewer requests an alternate routing and the fare is the same or less than the lowest available direct round trip fare, at time of booking from the reviewer’s domicile city to the destination where NIH is hosting the meeting, the reviewer’s alternate routing will be booked at no additional cost to the reviewer.

2. If the reviewer requests an alternate routing which results in a higher fare than the lowest available direct round trip air fare, at time of booking, the reviewer will be responsible to pay, via personal credit card, for any and all additional costs. WTS will be responsible for identifying and applying those additional costs to the reviewer’s personal credit card.

3. Any cost incurred resulting in a change to the alternate routing or personal travel leg of the itinerary will be paid by the reviewer.

9. PRE-EXISTING SELF PURCHASED TICKETS

The following guidelines will be used for reviewers who have previously purchased an airline ticket outside of WTS, and who subsequently receive an invitation by NIH to serve as a reviewer in an NIH Peer Review meeting.

1. The reviewer will be reimbursed any change fees, not cancellation fees, imposed by airlines to change their airfare ticket to be able to attend the NIH Peer Review meeting.

2. To receive reimbursement, reviewers are to submit the NIH/SRO’s e-mail invitation, the original itinerary indicating the date the flight was booked, and the revised itinerary indicating the additional costs associated with the change.

3. Receipts are to be submitted to the NIH SRO within 10 business days from the date of the meeting.
NON-FEDERAL PEER REVIEW TRAVEL GUIDELINES

10. PREMIUM/BUSINESS CLASS TRAVEL ACCOMMODATION REQUEST DUE TO MEDICAL CONDITIONS

The following guidelines will be used for requesting authorization of Premium/Business Class travel Accommodations due to a medical condition or requesting authorization for a Travel Attendant due to the reviewers’ medical condition.

1. Request should be made preferably 4-6 weeks in advance of the travel date.

2. Reviewer must complete the “Request for Premium Class Common Carrier Travel Accommodations for Travelers with Medical Conditions”. Detailed guidelines and the request form may be obtained by contacting the given IC Scientific Review Officer for IC reviewers or the CSR Scientific Review Officer or by sending an email csrsreahelp@csr.nih.gov for CSR reviewers.

3. Upon NIH/OMS approval, the NIH SREA office or IC SREA POC Administrator will notify the reviewer and WTS. Subsequently, WTS will process the request.

4. If the need for a travel attendant to accompany a reviewer due to a medical condition is approved by the NIH Office Medical Service (OMS), reimbursements will be allowed as follows: Airfare, lodging and per diem for meals for the travel attendant.

11. TRAIN SERVICE

Federal travel policy considers the use of Acela trains as a premium travel accommodation and is defined as an extra-fare that operates at an increased fare due to the extra performance of the trains (i.e., faster speed or fewer stops). Extra-fare train service is considered to be a higher cost and a class above the lowest class offered on any particular trains.

New York/Washington, DC Corridor: The rail infrastructure within the New York/Washington, DC corridor has numerous bends and turns which does not allow the Acela train to typically travel at high speeds. Therefore, there is minimum reduction in travel time (less than 20 minutes) in the Northeastern corridor between the regional trains and the extra-fare trains. Therefore, when traveling within the New York/Washington, DC corridor, WTS will typically be authorized to issue only regional coach fares.

Other Parts of the Northeastern Corridor: When traveling within other parts of the Northeastern corridor, travel by extra-fare trains may be requested and approved by SREA with a reasonable justification. SREA will notify WTS to authorize the extra-fare train.

Reminders:

1. Requests for approval to travel by extra-fare trains may be authorized and approved when justified, or if it is cost effective, or if it is more advantageous to the Government, or if it is required for security reasons.

2. Reviewers are to book 8 weeks in advance when possible and no less than 28 days in advance.

3. Reviewers must email cancel@worldtravelservice.com or call to cancel prior to the scheduled departure time or the entire ticket has no value. (Amtrak change effective March 1, 2014)
12. FOREIGN TRAVEL

WTS is authorized to issue non-refundable coach class tickets on US Flag Carriers or carriers under the “Fly American Act” for foreign reviewers. Any request for a refundable coach class tickets for foreign travel due to extenuating circumstances must receive prior approval from the SREA Office.

13. WTS RESPONSE TIME

1. Response to reviewer’s inquiry will be within 1 business day.

2. Arrangements by on-line bookings, e-mail, fax, or telephone will be processed within 1 business day.

14. TRAVEL INSURANCE BY WTS

$200,000 in travel insurance is provided for each issued ticket by WTS at no additional cost to the government or the traveler. Travel insurance coverage does not apply when reservations or changes are made through sources other than WTS.
